Verse 1:

```
D                                    C        G   D
I once had a girl, or should I say, she once had me
D                                       C    G    D
She showed me her room, isn't it good, Norwegian wood
```

- Bridge:

```
    Dm                                            G    ( G )
She asked me to stay and she told me to sit anywhere
   Dm                                            Em   A7
So I looked around and I noticed there wasn't a chair
```

Verse 2:

```
D                                C        G   D
I sat on a rug, biding my time, drinking her wine
D                                        C         G   D
We talked until two, and then she said, it's time for bed
```

- Melodie 2x + Sitar

Bridge 2:

```
    Dm                                                  G
She told me she worked in the morning and started to laugh
  Dm                                                  Em   A7
I told her I didn't and crawled off to sleep in the bath
```

Verse 3:

```
D                               C         G   D

D                                 C    G    D
So, I lit a fire, isn't it good, Norwegian wood
```
